

A Great Year in 2007!

September 2007

Volume 5 Issue 2

As the summer months come to a close, it is hard not to think about how quickly times goes by. With that in mind, we reflect on just how much we've accomplished in 2007 here at Stonecroft.

The completion of the spectacular Recreation Centre in January set the tone for this year. With a Resident Open House held in January to introduce the Residents to their long awaited new centre, a celebration with Stonecroft and each other, there was no shortage of excitement in the air!

The spring market "came in like a lion" with the official Grand Opening of the Rec Centre being a major drawing card for the growing sales in Phase 3. Our model homes sold in record time, and new ones are underway. Phase 3 took on a whole new look with trails and landscaping being completed around the homes and Rec Centre this summer.

As the Fall approaches, it seems there is no slowing down. Stonecroft is always buzzing with activity, whether it's the building of new homes or residents moving to and from their

various activities and stopping to chat with a neighbour or Stonecroft employee along the way. The committees are in full swing planning activities including golf tournaments, yoga classes, coffee hours, full day bus trips to different local markets and festivals, resident bbq's and "happy hours" on the new patio at the Rec Centre.

One resident said it best, "living at Stonecroft is almost like being on permanent vacation - Visit us once and you'll see why we call Stonecroft - Home."

Lynda D.

6th Annual CORN ROAST

With this year's annual Corn Roast quickly approaching, we're getting ready for a full house! Bring your friends and come view the New Recreation Centre, our continually growing landscape features, Phase 3 lots and don't forget to enjoy some corn on the cob and sausage on a bun!

At Stonecroft's New Recreation Centre

September 15th & 16th

Between 12:00 noon & 6:00 pm

Please RSVP by September 10th to add your name to the list!

September 15th & 16th

Inside this issue:

Table with 2 columns: Article Title and Page Number. Includes items like 'Reflection of a Great Year' (p. 1), 'Sneak Preview' (p. 2), 'Tennis Courts and Lessons' (p. 2), 'Aquafit in Session' (p. 2), 'September Activity Schedule' (p. 3), and 'Keeping you up to date with our Progress' (p. 4).

Stonecroft is buzzing with activity!

Sneak Preview!

The foyer to the Hampshire showcases the beautiful stone columns while leading you into the open concept bungalow

The Hampshire III is one of four new models that are currently under construction at Stonecroft and it has been designed and appointed to impress. This home greets you with soaring ceilings and stone columns, detailed ceramic tile inlays, and much more. A majestic stone fireplace in the Great Room is surrounded by bright windows ; and the exquisite custom kitchen is highlighted with granite counters and additional stone

columns and detailing. The Master Bedroom includes a walk-out to a private deck, and the ensuite bath has been dramatically finished beyond luxurious. To inspire creative ideas for Stonecroft purchasers, the basement of this home has been finished with a custom bar, home theatre area, and an array of games items to illustrate the endless possibilities of a Stonecroft Home!

A beautiful stone fireplace is the centerpiece of the home

Be sure to watch for our Model Homes Grand Opening and see all the exciting changes firsthand!

Tennis Courts Complete and Lessons underway

Tennis courts are up and lessons have started!! Residents who are avid players have formed a club and play regularly. Always wanting more players, some residents have reserved court times for those interested in lessons. Times reserved for these lessons do not coincide with the many other activities such as badminton, table tennis and indoor shuffleboard in the Great Hall, so there is no need to “pick and choose” your activity! You can join them all!

Residents meet to learn how to play tennis

Aquafit In Session!

Residents meet for classes held in the New 60' Indoor Pool

A certified instructor has been hired and regular Aquafit classes are now being held in our 60' indoor pool! During the summer months we are less motivated to participate in fitness activities because of the heat, but conducting your workout in the pool is comfortable, refreshing, and healthy. Currents and eddies in the water massage the skin, promoting circulation and relaxation. Sessions run 3 weeks at a time, twice a week at two different times! With all this flexibility, it is sure to “fit” your schedule.
