Stonecroft residents transform their yards... ...into their own private oasis!

Our residents are creating masterpieces in their very own backyards! Beautiful water features, rock gardens and ponds adorn the community as the landscaping begins to mature at Stonecroft. It is truly a sight to see. It sure makes taking a stroll along our walking trails a real pleasure. Thank you Stonecroft home owners for your pride in ownership!

THE FIRST EVER STONECROTT RESIDENT APPRECIATION EVENT WAS A HUGE SUCCESS!!

The Great Hall was packed on June 19th when Stonecrott residents gathered to enjoy an evening of awesome food, fantastic entertainment and friendship. This special event was to celebrate the Stonecrott Community and the residents who have formed it. The Classic Chordsmen shared their barbershop talent before Pineridge Barbeque treated us to a tasty chicken dinner. To finish off the evening a special visit from the Amish Ambassador and his Mrs. had everyone crying tears of laughter as he shared his tales.

As new friends meet and familiar faces gather, Stonecrott residents become Stonecrott family.

Truly unique, one-of-a-kind home for sale!

Remember our last newsletter when we told you about the exciting renovations we were making to our old presentation centre? True to our word, as of June 15, all of our renovations were completed and it is now open to view. This home is unlike any of our other homes. It has a Florida room overlooking the pond and a finished basement making 4,000 sq. ft. of finished space!

Want to be here but can't wait to build?

Do we have an opportunity for you! Stonecrott Homes has almost completed 2 homes for faster closings. Stop in and ask our Sales Associates to show you through these homes. Visit our recently redesigned web site for more information.

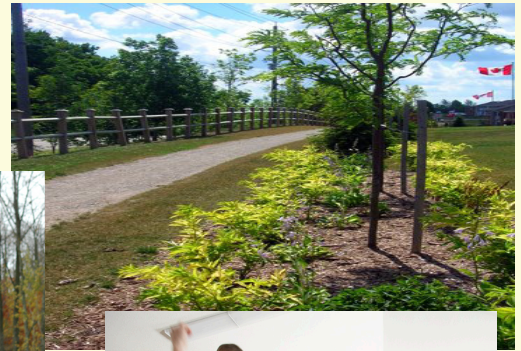

Some colour selections are still available including kitchen cabinets and flooring in this Berkshire design. This plan has a slider door walking out to a covered deck.
1,415 square feet

This Waterford design has 2 bedrooms plus a den, garden door to covered deck and a walkout basement.
1,628 square feet

Summertime fun at Stonecroft....

As the days of spring and summer grew longer, so did the list of activities at Stonecroft. Residents started off the spring season with their 2nd annual Spring Fling. A catered 3 course dinner and dancing in semi formal attire was appreciated by nearly 80 Stonecroft Residents. Many calendars were booked solid with social clubs such as the Art Club, Gourmet Club, several card clubs or the Green Thumb club. Bus trips during the day and concerts at the Rec Centre in the evenings left just enough time for fitness clubs, coffee hours and social hours in between. It's overwhelming to see the amount of time that Stonecroft residents volunteer back into their community to organize the vast selection of events. It was well said by Gina McKenzie, chair of the Social Committee at Stonecroft, "Whatever interests you is pretty much here, and if it's not, you can start it!"

CORN ROAST

It is hard to believe that it is that time of year again! Join us for our 7th Annual Stonecroft Corn Roast. Mark your calendars for September 6th and 7th at the Stonecroft Recreation Centre. See you there!

What's new at Stonecroft?

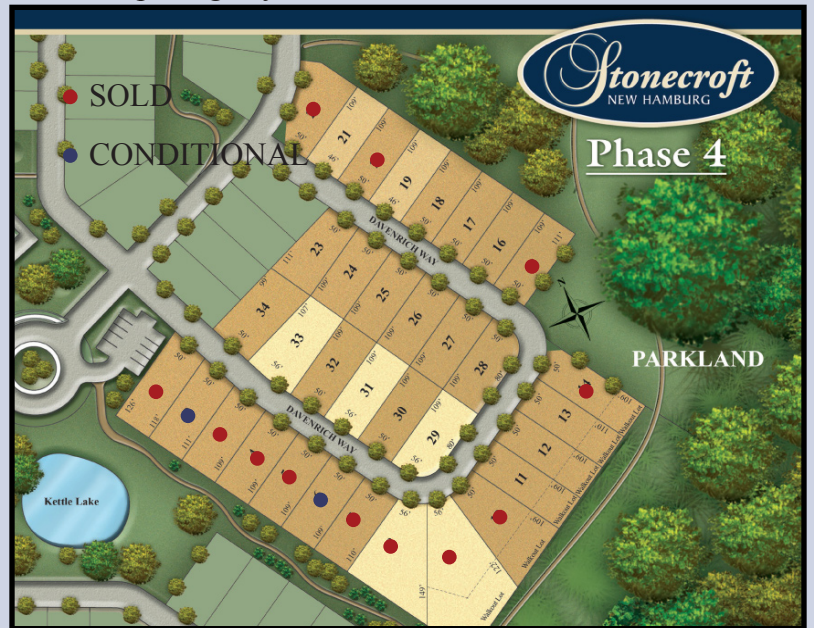

We are growing along with the community. At our new Presentation Centre you will now find some new staff along with some familiar faces too. We have filled the basement with offices and now have all departments working under one roof. We are also welcoming a second Sales Associate to the team. Stop by the Presentation Centre to meet Christine Peck.

Now selling Phases 3 and 4!

Location at its' best! Hurry in - we still have Crescent lots available in Phase 3 with access to the walking trails right at your back door! And don't miss out on one of the 3 remaining walk-out lots left in Phase 4. These are our premium lots backing onto mature treed land. Phase 4 won't last long, we sold 30% of the Phase on opening day!!!
